**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

UNITED STATES OF AMERICA,

Plaintiff,

V.

BRITTANY GRIESEL,

Defendant.

Case No. 2:21-cr-194-RFB-VCF
ORDER
**Government's Motion for Leave to File
Stipulation for Protective Order Under
Seal**

Contemporaneous with this motion, the government is filing a stipulation between parties for a protective order. The stipulation references and discusses confidential information regarding law enforcement officers which, if made public, could invite speculation and inaccurate inference from the public. Due to the sensitive nature of the information and the potential for abuse and misidentification, we believe the stipulation should be filed under seal and remain under seal. Moreover, the stipulation itself contains information noteworthy to the public, so the prejudicial consequences of disclosure would outweigh the public's qualified right of access to judicial records. The government therefore requests leave to file the stipulation under seal. The government also requests that the accompanying order resulting from the stipulation be kept under seal.

3 under seal the parties' stipulation for a protective order, and requests that the Court
4 maintain the stipulation and any accompanying order under seal.
